

COLLEGES THAT CHANGE LIVES

2010 CTCL PROGRAMS

40

of America's most remarkable colleges and universities are profiled in former New York Times education editor Loren Pope's influential book *Colleges That Change Lives*, and they will be traveling to an area near you later this year.

We invite interested students, families, and college counselors to learn more about making a well-informed college search by joining us for an information session and college fair. Sponsored by Colleges That Change Lives, a non-profit organization dedicated to the support of a student-centered college search process, these programs are free to the public and pre-registration is not required.
